SECTION - I

INSTRUCTIONS TO BIDDERS

A.GENERAL

1. Scope of Bid

The Executing Agency, (also referred to as “the Employer” or “Purchaser” in these documents) invites sealed bids from eligible bidders to design, shop test, supply, transport, fixing of L.T.Line Spacers “Z” Type to all types L.T.Lines and allied works **in the jurisdiction of Kolhapur Rural-I Division**.

- 1.1 The works are to be carried out at various sites **in the jurisdiction of Kolhapur Rural-I Division** referred in above table. However, the Bidder is expected to start the works immediately as per instructions mentioned in the bid.
- 1.2 All bids shall be prepared and submitted strictly in accordance with these instructions.
- 1.3 The successful bidder has to start work simultaneously at all the sites covered under **Kolhapur Rural-I Division**, as per the detailed work order of the Add. Exe. Engineer of concerned Sub Division.
- 1.4 The successful bidder will have to complete the works **within 1 months** from the date of LOA. Otherwise the agency should be blacklisted & L2 bidder work diverted.
- 1.5 The Bidder shall submit the bid with full documents. Bid not covering entire scope of the project shall be treated as incomplete and hence, are liable to be rejected.

2.0 Eligible Bidders shall duly fill

- 2.1 The bidding is open for representative who is Drawing & type test approved GTP vendor of MSEDCL HO Mumbai Such bidders should meet the qualification as stipulated here under. Manufacturers opting to bid through an Authorized representative are not permitted to bid on their own separately
- 2.2 The bidder does not anticipate a change in ownership during the proposed period of execution of work. (If such a change is anticipated, the scope and effect thereof shall be defined).

3.0 (A) Qualification of the Bidder - for Individual Bidder

- 3.1 In order to be qualified for award of Contract, the bidder will be required to satisfy the following minimum qualifying criteria, which take precedence over any qualification requirements that may be stated in the Specifications or elsewhere in the Bidding Document:
 - (a) The bidder should have at least **3 years Similar of experience** as a prime contractor in the similar nature and complexity to that required under this contract, as per the requirements of Sub-Clause 3.1(c). The bidder should enclose Similar of experience certificate showing such type (providing & fixing L.T. line spacers) of works executed in last three financial years(i.e., 2021-22/2022-23/2023-24) that too issued by concerned employer.
 - (b) The bidder should have an **average turnover during in any of the last three financial years** (i.e., from 2021-22/2022-23/2023-24) which should be **30 % of the Tender's Estimated Cost**.

- (c) Similar of experience : The Bidder should have executed either (i) **a single order** equivalent to **at least 50% of the Estimated Cost** of the Works , or (ii) **two orders at least 75% of the Estimated Cost** of the Works, **or** (iii) **three orders at least 100% of the Estimated Cost** of the Works in MSEDCL during any of the last three preceding years (i.e., 2021-22/2022-23/2023-24).
- (d) **Contractors License** - The Bidder should possess a valid Electrical Contractor's license issued under the Act.
- (e) **GST REGISTRATION CERTIFICATE** - The Bidder should be registered as a contractor/ equipment supplier/ vendor with the GST REGISTRATION CERTIFICATE authorities at the time of submission of the bid; and
- (f) **Net worth** - The Bidder shall have a **Positive Net Worth** (Net worth for the **F.Y.2023-24 will be considered**) Certificate in this regard from practicing Chartered Accountant/ practicing cost Accountant to be submitted by the bidder.
- (g) **Conflict of Interest** – All bidders found to be in conflict of interest shall be disqualified. A bidder may be consider to have a conflict of interest with one or more parties in bidding process if they :
 - i. have controlling share holders in common **or**
 - ii. receive or have receive in direct /indirect subsidy from any of them **or**
 - iii. have same legal representative for the purpose of bid **or**
 - iv. have relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on bid of another bidder or influence the decision of the employer regarding bidding process.
- (h) The bidder should be a registered contractor with MSEDCL's E-tendering system. The bidder should bear a Digital Certificate issued by TCS for MSEDCL work contracts. The bids submitted by contractors without having digital certificate/ without MSEDCL E-tendering registration will be rejected by the employer without assigning any further reasons.

For the purposes of evaluation of the Bidder's compliance with the provisions of Sub-paras (b), (f) above (Turnover & Net Worth) the Estimated Cost of the Works refers to the Employer's Estimated Cost as set forth in the Notice Inviting Tender and Bidding Data.

3.2 To be qualified for award of Contract, bidder shall also submit:

- (a) copies of original documents defining the constitution or legal status, place of registration and principal place of business for the bidder; and
- (b) a written power of attorney authorizing the signatory of the bid to commit the bidder; and
- (c) upto date information for current contract commitments/works in progress and financial resources in sufficient detail so as to enable assessment of the financial capacity of the bidder. and
- (d) authority to seek references from the bidder's Bankers along with details of the Banks; and
- (e) proposals regarding work methods, scheduling and re-sourcing which shall be provided in sufficient detail to confirm the bidder's capability to complete the works in accordance with the specifications and the time for completion, including:
 - i. qualifications and Similar of experience of key site management and technical personnel proposed for the contract;

- ii. source (own, lease, hire, etc.) and deployment schedule for major items of construction equipment and materials handling facilities proposed for carrying out the work;
- iii. procurement plan for supply and delivery of major materials and equipment to the Site; and
- (f) registration certificates for **Goods and GST**.
- (g) **Registration certificates under PF** and labor laws as may be applicable as per the relevant acts. The bidder should possess either registration certificate or a written letter from the appropriate authority that the firm is not eligible for PF registration (issued within last one year).

3.3 The Bidder must satisfactorily demonstrate that he has adequate financial capacity to undertake the Works, including access to, or availability of, financial resources such as liquid assets, unencumbered real assets, and other financial means - other than contractual payments - to meet (i) a cash flow requirement of at least 20% (twenty percent) of the Estimated Cost of the Works and (ii) the overall cash flow requirements for this contract and its other current works commitments.

- (a) In order to be eligible for award of more than one Contract, bidder who submits bids for two or more contracts will be required to demonstrate that:
- (b) His **Average Turnover for the last three financial years** should be 30 % of the Estimated Costs of the Works for all Contracts taken together.
- (c) **Net Worth :He should have positive net worth**, The net worth of F.Y. 2021-22/2022-23/2023-24) will be considered.
- (d) In the event that a bidder is found to be the lowest evaluated responsive bidder on more than one Contract but that it does not have sufficient Turnover, Net Worth to satisfy substantial responsiveness for award of all contracts, then the Employer will have the right to award only that contract (or those contracts, if more than one) for which the bidder qualifies and which promises to confer the greatest benefit to the Employer.

3.4 The Bidder must also satisfactorily demonstrate that (i) it has the personnel for the key positions required to carry out the Works, and (ii) that it has access to the minimum levels of key plant, equipment and machinery that are required to complete the Works within the stipulated time for completion, and (iii) that its proposals regarding work methods, scheduling and mobilization of resources are adequate to demonstrate the Bidder's capability to complete the Works in accordance with the specifications and time for completion referred to in above, and (iv) that its understanding of the requirements of the contract is clear and unambiguous. Any unsatisfactory assessment of these requirements may lead to the bidder being evaluated as technically non responsive.

3.5 Information submitted by the bidder with respect to its Similar of experience and qualifications shall be supported by mandate letters, completion certificates, WIP certificates, etc., from the respective clients, failing which their Similar of experience claims will not be considered for evaluation.

3.6 Information provided on the bidder's financial capacity shall be duly certified by a Chartered Accountant; documents submitted without the required Certification will not be considered for evaluation.

- 3.7 Bidder shall note that the qualification requirements described in the above Clauses shall strictly apply to the Bidder and not its associated companies or group companies or companies taken over by him.

Note: Provisional financial statements should not be enclosed with the bids.

4.0 One Bid per Bidder

Each bidder shall submit only one bid for project either by himself, or as a partner in a joint venture.

5.0 Cost of Bidding

The bidder shall bear all costs associated with the preparation and submission of his bid and the Employer will in no case be responsible or liable for those costs.

6.0 Site Visit

- 6.1 The bidder is advised to visit and examine the sites of Works and their surroundings and obtain for himself, at his own risk & cost, all information that may be necessary for preparing the bid and entering into a contract for the Works. The costs of visiting the Sites shall be at the bidder's own expense. The sites selected may vary due to the encumbrance at present installation to the Employer. The changes/variations of any of proposed sites would not confer right for the extra additional claims.
- 6.2 The Employer will not entertain any claim at any stage from the bidder on the plea of having himself not acquainted sufficiently to the site conditions.

B. BIDDING DOCUMENTS

7.0 Content of Bidding Documents

- 7.1 The set of bidding documents comprises the documents mentioned below and any Corrigendum/Addenda issued.

SECTION 3**CONDITIONS OF CONTRACT****A. GENERAL****1. Definitions**

- 1.1 **Acceptance date** is the date when the Employer accepts the bid of the successful bidder by issuing a Letter of Acceptance.
- 1.2 **The Activity Schedule** is a schedule of the activities comprising to design, shop test, supply, transport, fixing of L.T.Line Spacers to all types L.T.Lines and allied works **in the jurisdiction of Kolhapur Rural-I Division on "Full Turn Key Basis"** as defined in the bid document as "The Works" and handing over of "the Works". It includes a lump sum price for each activity, which is used for valuations and for assessing the effects of Variations and Compensation Events. Quantities mentioned in this schedule are approximate and bidder is expected to assess the work based on his investigation and site inspection.
- 1.3 **The Arbitrator** is the person appointed (by the employer) as per the rules of arbitration by Indian council of Arbitration.
- 1.4 **The Completion Date** is the date on which the Contractor shall complete whole of the Works, duly notified by The Executive Engineer, **Kolhapur Rural-I Division** or any other person duly authorized by him, that the Employer can use the works. The Completion Date is specified in the Contract Data. Only the Employer may revise the Completion Date by issuing, in writing, an extension of time.
- 1.5 **The Contract** is the contract between the Employer and the Contractor, the terms and conditions of which have been incorporated in the agreement to be executed between the two parties.
- 1.6 **The Contract Data** defines the documents and other information, which comprise the Contract.
- 1.7 **The Contractor** is the bidder whose bid to carry out the Works has been accepted by the Employer and includes his legal hires, successors.
- 1.8 **The Contractor's Bid** is the complete bidding document submitted by the Contractor to the Employer.
- 1.9 **The Contract Price** is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the contract.
- 1.10 **Days** are calendar days & **Months** are calendar months.
- 1.11 **Defect** is any part of the Works not completed in accordance with the Contract & includes material specifications as per Volume- II
- 1.12 **The Employer** is The Executive Engineer, Maharashtra State Electricity Distribution Co. Ltd. **Kolhapur Rural-I Division** who will have the necessary authority to execute the project and be responsible to handle all affairs of the project including award of contract to the Contractor and include any person(s) authorized for the purpose by The Executive Engineer, Maharashtra State Electricity Distribution Co. Ltd., **Kolhapur Rural-I Division**.
- 1.13 **The Executive Engineer MSEDCL Kolhapur Rural-I Division, or any other person duly Authorized by him will have necessary authority to execute the Project and be responsible to handle all affairs of the project.**
- 1.14 **The Engineer** is the person or organization named in the Contract Data or any other competent person authorized by the Employer and notified to the Contractor, for effective implementation of the project.

- 1.15 **Site In charge / in charge** is a person authorized by the Employer for the purpose of supervision and implementation of contract terms for the works covered under the contract.
- 1.16 **Construction Equipment** is the Contractor's machinery and vehicles brought temporarily to the site to construct the Works.
- 1.17 **Plant** is any integral part of "the Works" which is to have a civil, mechanical, electrical, electronic or chemical function.
- 1.18 **The Site(s)** is/are the area (s) defined as such in the Contract Data for execution of works & includes contractors site store.
- 1.19 **The start Date** is the date of execution of Contract Agreement. It does not necessarily coincide with any of the Site Possession Dates.
- 1.20 **Specifications** mean and include collectively all the terms and stipulations contained in the bid document including the conditions of contract, Technical Provisions and Annexure thereto and list of correction and amendments.
- 1.21 **A Sub-Contractor** is a person or corporate body who has a contract with the Contractor to carry out a part of the work in the Contract, which includes work on the Site.
- 1.22 **Temporary Works** are works designed, constructed, installed, and removed by the Contractor including Temporary electric supply and water charges at his own expenses which are needed for construction, installation, and Commissioning of the Works.
- 1.23 **A Variation** is a modified instruction given by the Employer, which varies "The Works".
- 1.24 **The Works** means to design, shop test, supply, transport, fixing of L.T. Line Spacers to L.T. Lines and allied works **in the jurisdiction of Kolhapur Rural-I Division on " Turn Key Basis"** as defined in the bid document as "The Works" & allied work and also includes other works not specifically mentioned in bid but required due to site conditions & for what the Contract requires the Contractor to design, supply, transport, construct, install, test, commission, and hand over to the Employer, under the Project.

2.0 Interpretation

In interpreting these Conditions of Contract, singular also means plural, male also means female, and vices versa. Headings and cross-references between clauses have no significance. Words have their normal meaning under the language of the Contract unless specifically defined.

3.0 Language and law

The language of the Contract shall be English. The law governing the Contract shall be the Indian Laws as stated in the Contract Data.

4.0 Decisions

The Employer is to decide contractual matters between the Employer and the Contractor fairly and impartially. The decision of the Employer will be final, Conclusive and binding on both parties to the agreement for contract.

5.0 Delegation

The Employer may delegate any of his duties and responsibilities to other people by notifying the Contractor and May even cancel/withdraw any such delegation by notifying to the Contractor.

6.0 Communications

Communications between parties that are referred to in the conditions are effective, only when they are in writing.

7.0 Assignment and Subletting Of Contract

- 7.1 The Contractor shall not assign the Contract or any part thereof or any benefit or interest therein or there under without the prior written consent of the Employer.
- 7.2 The Contractor shall not sublet any part of the works without prior written consent of the Employer.
- 7.3 Such consent, if given, shall not relieve the Contractor from any liability or obligation under the Contract and he shall be responsible for the acts, defaults and neglects of any subcontractor, his agents, servants or workmen as fully as if those were the acts, defaults and neglects of the Contractor, his agents, servants or workmen.
- 7.4 The engineer shall have the right to obtain from the Contractor any agreement in writing entered into by the Contractor with any of his sub-Contractors or any purchase orders placed for supplies and services in respect of the works included in the Contract provided that the Contractor shall not be bound to disclose the sub Contract value. The Contractor shall supply the engineer with full technical and commercial details of orders placed on his sub-Contractors. The technical specification of all the items ordered on sub-Contractor shall be subject to the approval of engineer.

8.0 Co-ordination with Other Contractors

The Contractor is to co-operate and share the Site with public authorities, utilities, and the Employer.

9.0 Personnel

- 9.1 The Contractor is to employ either the key personnel named in the Schedule of Key Personnel to carry out the functions stated in the Schedule or other personnel approved by the Employer. The Employer will approve proposed replacement key personnel only if their qualifications, abilities and relevant Similar of experience are equal or better than those of the personnel listed in the Schedule, without affecting the Contract Price.
- 9.2 If the Employer asks the Contractor to remove a person who is a member of Contractor staff or work force and states the reasons, the Contractor is to ensure that the person leaves the Site within seven days and such person will have no further connection with the work in the Contract.

10.0 Contractor's Risks

All risks of loss or damage to physical property and of personal injury and death, which arise during and in consequence of the performance of the Contract, are the responsibility of the Contractor.

11.0 Force Majeure

The term "Force-Majeure" as employed herein shall mean The acts of God, strikes, lock-outs, or other industrial disturbances, acts of the public enemy wars, blockades, insurrection, riots, epidemics, landslides, earthquakes, storms, lightning, floods, washouts, civil disturbances, explosions, and any other similar events, not within the control of either party and which by the exercise of due diligence neither party is able to overcome.

12.0 Insurance

It is mandatory that the contractor shall obtain the insurance policy as mentioned above from the insurance company approved by the Director of Insurance, Government of Maharashtra i.e. National Insurance Company Ltd., Kolhapur for the Contractor's all risk (CAR) Insurance Policy or Transit cum erection (TCE) or Erection all risk (EAR).

If the contractor fails to obtain the insurance policy the MSEDCL shall recover 1 % of the contract value & deposit the same with the Director of Insurance, Government of Maharashtra, Mumbai.

12.1 The insurance cover is to be provided by the Contractor in the joint names of the Employer and the Contractor for the period from the Start Date to the end of the Defects Notice Period or of the last Defects Correction Period whichever is the later.

a) The new installation erected under this tender should be insured at the cost of the tenderer as per the Govt. of Maharashtra decision, with the Director of insurance Maharashtra State, Mumbai -51

b) Full cover against damage to other people's property caused by the Contractor's acts or omissions.

c) Covered against death or injury caused by the Contractor's acts or omissions to

(i) Anyone authorized to be on the Site.

(ii) Third parties who are not on the Site. as per laws applicable in India

d) Full cover against theft and damages to the Works and materials during storage and construction.

Contractor shall pursue the matters related to insurance claims in association with the Employer.

12.2 Policies and certificates for insurance are to be produced by the Contractor to the Employer for approval before the Start Date given in the Contract document and subsequently as the Employer may require.

12.3 Alterations to the terms of insurance may be made either with the approval of the Employer or as a result of general changes imposed by the Insurance Company with which the insurance policy is effected.

12.4 Both parties are to comply with any conditions of the Insurance policies.

13.0 Indemnities

13.1 The contractor is liable for and indemnifies the Employer and others against losses, expenses and claim for loss or damage to physical property, personal injury, and death causes by his own acts or omission

13.2 The contractor claiming indemnity to take all responsible steps to mitigate the loss or damages which may occur.

13.3 The contractor indemnifies the Employer against claims for damage causes by the movement of his Equipment or temporary works.

14.0 Site Investigation Data

It is presumed that the Contractor, in preparing his Bid, has relied on the Site Investigation Data collected & verified by him from his own source.

15.0 Queries about the Contract Data

The Employer is to give instructions clarifying queries about the Contract Data.

16.0 Contractor to Construct the Works

16.1 The Contractor is responsible for design, shop test & arranging for inspection & test by representative nominated by the Employer, during manufacturing process if needed, supply, transport, construct, install, commissioning and hand over the works in accordance with the relevant Specifications and Drawings.

16.2 All the works should be carried out in conformity with the provisions under IE Rules 1956 and Contractor is to get clearance from Competent Authority under IE Rules 1956 before charging / commissioning of the work at site. As per CEA guidelines clause no.58 to 61 also.

16.3 The Bidder shall be responsible for coordinating and liaising with the various offices i.e. Electrical Inspector Office, Forest Office, Municipal Offices, Grampanchayat and any other Department, consumer or a group of consumers etc., needed for timely completion of the work. **Any amount towards the legitimate fee like Electrical Inspector Charges etc. shall be borne by the contractor.**

17.0 The Works to be completed by the Completion Date

The Contractor shall begin the Works on the Start Date and is to carry out the Works in accordance with the program submitted by him, as updated with the approval of the Employer, and complete them by the Completion Date.

18.0 Approval of the Contractor's Temporary Works**19.0 Safety****19.1 Works and Safety Regulations:**

19.1.1 The Contractor shall ensure the safety of all the workmen, materials and equipment either belonging to him or belonging to others working at site. Contractor shall notify the Engineer of his intention to bring on site any container with liquid or gaseous fuel or other substance, which may create hazard. Engineer shall have the right to prescribe the conditions under which such equipment or container shall be handled and used during performance of the works and Contractor shall strictly adhere to such instructions. The Engineer shall have the right to inspect any Construction plant and forbid its use, if in his opinion it is unsafe. The Employer will entertain no claim on account of such prohibition imposed. Contractor shall obey all safety instruction on site given by Engineer. The Contractor till the completion of contract shall post suitable number of Clerical staff, watch & Ward Store Keepers to take care of equipment, materials and construction tools and tackles at site. Contractor is expected to observe all the safety rules and regulations enacted as per laws applicable.

19.1.2 The Contractor shall arrange for such safety devices as are necessary for such type of work and carry out requisite tests of handling equipment, lifting tools, tackles etc as per standards and practices.

19.2 Electrical Safety Regulations

19.2.1 No work shall be carried out on any live equipment on any site. The Engineer must make equipment safe and permit to work is to be issued before any work is carried out.

19.2.2 The Contractor shall employ the necessary number of qualified, full time electricians to maintain his temporary electrical installation, wherever necessary.

20.0 Discoveries

Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the State. The Contractor is to notify the Employer of such discoveries and carry out the Employer's instructions for dealing with them.

21.0 Possession of the Site

The Employer is to show the possible way leaves for erection and commissioning of the works covered under this contract, and for any deviation due to site conditions, from such way leave will require prior approval of Employer.

22.0 Access to the Site

The Contractor is to allow the Employer and any persons authorized by the Employer access to the Site and to any place where work in connection with the Contract is being carried out or intended to be carried out.

23.0 Instructions

The Contractor shall carry out all instructions of the Employer, which are in conformity with the law of the country.

24.0 Disputes

Any disputes or differences arising under, out of or in connection with this tender or contract if not concluded shall be subject to exclusive jurisdiction of courts in **Kolhapur City** of Maharashtra. The Indian Law shall govern the contract.

25.0 Prohibition For Post Tender Correspondence

25.1 The bidder should note that no correspondence shall be entertained or considered after the due date and time of submission of tender unless otherwise sought by the Employer.

25.2 The bids shall be deemed to be under consideration immediately after those are opened and until such time official intimation of award / rejection is made by the Employer to the Bidders. While the bids are under consideration, bidders and / or their representatives or other interested parties and advised to refrain from contacting by any means, the employer and his Employees / representation on matters related to the bid under consideration. The employer if necessary shall obtain clarifications on the bid by requesting for such information from any or all bidders in writing as may be necessary.

B. TIME CONTROL**27.0 Extension of the Completion Date**

27.1 The Employer is to extend the Completion Date in the event of a Variation which makes it impossible for Completion to be achieved by the Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause him to incur additional cost.

27.2 The Employer is to decide whether and by how much to extend the Completion Date within 21 days of the Contractor asking him to decide upon the effect of variation and submitting full supporting information. If the Contractor has failed to give early warning of a delay or has failed to

co-operate in dealing with a delay, the delay by his failure is not considered in assessing the new Completion Date.

28.0 Delays Ordered by the Employer

The Employer may instruct the Contractor to delay the start or progress of any activity within the Works.

29.0 Management Meetings

- 29.1 Employer may instruct the contractor for a management meeting to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.
- 29.2 The Employer is to record the business of management meetings and is to provide copies of his record to those attending the meeting. The responsibility of the parties for actions to be taken is to be decided by **The Executive Engineer, M.S.E.D.C.L., Kolhapur Rural-I Division,** either at the management meeting or after the management meeting and stated in writing to all attended the meeting.

30.0 Early Warning

- 30.1 The Contractor is to warn the Employer at the earliest opportunity of specific likely failure events or circumstances, which may adversely affect the Project Implementation Schedule.
- 30.2 The Contractor shall co operate with the Employer in making the considering proposals for how the effect of such an event or circumstance can be avoided or reduced.

C. QUALITY CONTROL

31.0 Identifying Defects

The Employer is to check the Contractor's work and to notify the Contractor of any Defects, which he notices. Such checking does not absolve the Contractor's responsibilities. The Employer may instruct the Contractor to search for a Defect and to uncover and test any work, which the Employer considers, may have a Defect.

32.0 Tests

The contractor has to submit all the type test reports & routine/acceptance test certificate required in terms of Technical Specifications. Test certificate tested by NABL GOVT Approved Lab {Red/ Blue}.

33.0 Correction of Defects

- 33.1 The Employer is to give notice to the Contractor of any Defects of which he is aware before the end of the **Defects Liability Period**, which begins at Completion of "the Works" or its sub-items and **extends up to 365 days** thereafter.
- 33.2 Every time notice of Defect is given, a Defects Correction Period for the notified defect begins. The Contractor is to correct the notified defect within the Defects Correction Period. The length of the **Defects Correction Period is 30 days** as stated in the Contract Data.
- 33.3 The Contractor is to correct defects which he notices himself before the end of the Defects liability period.

- 33.4 The Employer is to certify that all Defects have been corrected when all known defects have been corrected. If the Employer considers that correction of a Defect is not essential he can request the Contractor to submit a quotation for the corresponding reduction in the Contract Price or an earlier Completion Date or both. If the Employer accepts the quotation, the corresponding change in the Contract Data is a Variation.

34.0 Uncorrected Defects after Completion Date

- 34.1 After Completion date, the Employer may arrange for third party to correct a Defect if the Contractor has not corrected it within the Defects Correction period.
- 34.2 The Employer is to give the Contractor at least 28 days notice of his intention to use a third party to correct a Defect. If the Contractor does not correct the Defect himself within this notice period, the Employer may have the Defect corrected by the third party. The cost of the Correction will be to the contractors account & it will be deducted from the balance payment due to the Contractor.
- 34.3 Employer will carry out such work in the event of emergency and situation so demands and will inform to Contractor accordingly and will recover/deduct cost of such work done.

D. COST CONTROL

35.0 Activity Schedule

36.0 Changes in Activity Schedule

37.0 Cash Flow Forecast

38.0 Payment Terms

- 38.1 a) The payment will be made in reasonable time as per contract orders issued for supply, transport, construction, erection, and commissioning of HT/LT lines & Transformer Centers & other allied works.
- b) **Retention of 5% as covered under clause 40 below.**
- c) Work is to be measured as per standard procedure. The measurements shall be taken jointly by Persons duly authorized on the part of Employer and by the Contractor.
- d) If, at any time due to any reasons whatsoever, it becomes necessary to re-measure the work done in full or in part, the expense towards such re-measurement shall be born by the Contractor.
- e) The Contractor shall bear the expenditure involved if any in making measurement. The Contractor shall, without extra charges, provide all assistance with appliances and other things necessary for measurement.
- f) **The measurement entered in "Service Entry Sheet" and bills prepared shall be signed and dated by both the contracting parties.**
- g) The Contractor will be intimated in writing by the Engineer the proposed date of measurement. If the Contractor does not turn up at the scheduled time, the Engineer shall have the powers to proceed by himself to take

measurement in which case the measurement taken by Engineer shall be accepted by the Contractor as final.

- h) Passing of measurement as per bills does not amount to acceptance of the completion of the work mentioned. Any left out work has to be completed if pointed out at a later date by the Engineer.
- i) The Contractor shall be directly responsible for payment of wages to his workmen. A Payroll sheet giving all the payment given to the workers and duly signed by the Contractor's representative should be furnished to Engineer for record purpose every month.
- j) The Employer shall make the payment for the works direct to the Contractor.

38.2 The value of work completed includes the valuation of Variations, deductions towards advance & Retention.

38.3 The Executive Engineer MSEDCL, **Kolhapur Rural-I Division** or a person(s) duly authorized by him may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information.

39.0 Mode of Payment

39.1 The Executive Engineer MSEDCL, **Kolhapur Rural-I Division** or the officer nominated by him, is to pay the Contractor the amounts certified by the concerned field Engineer within reasonable time from bill submission as per availability of funds. No interest is payable by the Employer for period exceeding as stated above.

39.2 If an amount certified is increased in a later certificate as a result of an award by the Court, the payment to the Contractor will be made accordingly.

40.0 Retention

40.1 The Employer will retain 5% of the contract price, due, to the Contractor as stated in the Contract Data.

40.2 On completion of the whole of the Works including charging & commissioning and on submitting all operation and Maintenance Manuals, half the total amount retained will be repaid to the Contractor and half when the Defects Notice period has passed and the Employer has certified that all defects notified by him to the Contractor before the end of this period have been corrected.

40.1 Liquidated Damages:

41.1 If the Contractor fails to complete all the works within the time frame stipulated as completion period or within extension of time granted by the Employer, the Employer shall levy liquidated damages for breach of contract without prejudice to any other rights and /or remedies provided for the contract.

41.2 The liquidated damages shall be levied @ ½ % (Half percent) of the contract price per week of delay subject to maximum 10 (Ten) % of the contract price for balance scope of work and the completed work, which cannot be used for the benefit of MSEDCL. In case of such maximum delay, the contract may be terminated by the Employer and the balance work shall be completed by the Employer at the risk and cost of the Contractor.

42.0 Advance Payment

The employer will not effect advance payment to the successful bidder for execution of the contract.

43.0 Cost of Repairs

Loss or damage to the Works or materials to be incorporated in the Works between the Start Date and the end of the final Defects Correction periods is to the Contractor's Account.

44.0 Completion Certificate

The Employer is to issue a certificate certifying Completion to the Contractor when Employer decides that the work is completed.

E. FINISHING THE CONTRACT**45.0 Taking Over**

The Engineer will take over the Site and the Works within seven days from the date the Executive Engineer issuing a certificate of Completion.

46.0 Final Account

The Contractor is to supply to the Employer a detailed account of the total amount which he considers is payable to him under the Contract before the end of the Defects Liability Period. The Employer is to certify any final payment, which is due to the Contractor within 60 days of receiving the Contractor's account if it is correct and complete. If it is not, the Employer is to issue a schedule that states the scope of corrections or additions that are necessary. If the Final Account is still unsatisfactory after it has been resubmitted, the Employer is to decide on the amount payable to the Contractor.

47.0 Operation & Maintenance Manuals

- 47.1 Contractor shall supply all the Documents mentioned below within 20 days prior to completion date as stated in the Contract Data.
- 47.2 If the Contractor does not supply the manuals by the date stated in the Contract Data, the Employer is to withhold the amount stated in the Contract Data from payments due to the contract.

48.0 Termination

- 48.1 If any of the following events shall have happened and be continuing, the Employer may terminate the Contract by giving 30 (thirty) days prior written notice to the Contractor.
 - a) The financing of the project is stopped by financiers due to any reasons there of.
 - b) On review of performance of the Contractor by the Employer, the Employer is not satisfied with the performance of the Contractor.
- 48.2 If the Contract is terminated, the Contractor is to stop work immediately, make the Site safe and secure and leave the Site after handing over of the site to the Employer as soon as reasonably possible.
- 48.3 The Employer may upon written notice of Contractor's default, terminate the contract in the circumstance detailed hereunder.
- 48.4 If, in the opinion of the Employer, the Contractor fails to make completion of works within the time specified in the contract agreement or within the extended period granted by the Employer.

- 48.5 If, in the opinion of the Employer, the Contractor fails to comply with any of the other provision of the contract including technical requirement, statutory provisions etc.
- 48.6 In the event the Employer terminates the contract in whole or in part as provided above, the Employer reserves the right to get the work executed as deemed by the Employer to be similar to the one contracted for, upon such terms and in such manner as the Employer may deem proper and the Contractor shall be liable to the Employer for any additional cost for execution and completion of such works.

49.0 Documentation

- 49.1 M/S_____ shall submit copies of drawings / other technical documents to Employer as mentioned below:
- a) Drawings for approval – as per M.S.E.D.C.L. Specifications
 - b) Final Drawings – copies of final/ as built drawings along with 1- set in soft copy in AUTOCAD Package.
 - c) Schedule of O & M manuals
 - d) Schedule of key Personnel
 - e) Site investigation data

50.0 Payment upon Termination

- 50.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Employer is to issue a certificate for the value of the work done and material ordered less payments received up to the date of the issue of the certificate and less the percentage of the value of the work not completed. Liquidated Damages do not apply and Employer has a right to claim for loss and damages in respect of any delay incurred arising from the Breach. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.
- 50.2 If the Contract is terminated at the Employer's convenience or because of fundamental breach of Contract by the Employer, the Employer is to issue a certificate for the value of the work done, materials ordered, the reasonable cost of removal of equipment, repatriation of the Contractor's personnel employed solely on the Works, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate.

51.0 Property

All materials on the Site, Plant, and Equipment owned by the Contractor, Temporary Works and Works are deemed to be the property of the Employer and are at his disposal if the Contract is terminated because of a fundamental breach of Contract by the Contractor.

SECTION 4

CONTRACT DATA

The following documents also form part of the Contract

33. The percentage of the value of the work not completed representing the Employer's Additional cost for completing the works is 150 percent of the Contract rate.
34. Contract work is to be carried out as per provisions under I.E. Rules 1956 and in confirmation to the relevant Acts/Rules as may be applicable.

VOLUME-II**1.0 Technical Specifications & Drawings.****1) Scope :-**

This specification covers the design, manufacture, supply and testing of L.T. line spacers for use on L.T. lines to overcome the problem of mid-span clashing of conductors.

2) MATERIAL & DESCRIPTION :-

The LT line spacers shall be made of high quality rigid PVC and shall be of high workmanship. The spacers shall be water proof, weather proof and shockproof. The material used shall also be resistant to chemicals etc. ISI marked material shall be preferred as per standard specifications of MSEDCL.

3) APPLICATIONS :-

The spacers shall be applied between the two adjacent conductors of an LT line by twisting the spiral ends around the two conductors manually. The spacers shall automatically grip the conductors and shall remain in position. The spacers shall also be suitable for use on both horizontal and vertical configuration of LT line with all size of ACSR conductors upto size 100 mm²(Dog). The shape & dimensions and Pictorial view of the LT line spacers are shown in enclosed fig.

4) CLIMATIC CONDITIONS :-

The LT spacers shall be suitable for outdoor installation under following site conditions :-

Max. ambient temperature 50 °C

Min. ambient temperature -2.5 °C

Max. wind pressure Upto 150 Kg/M²

Max. relative humidity 100%

Min. relative humidity 26%

Average number of rainy days per annum

5) TEST CERTIFICATE :-

The successful bidder must submit the following type test certificates of LT spiral type PVC spacers from NABL Govt. recognized test house Submission of bid offering the material for inspection. The test certificates shall not be more than 24 months old on the date of submission.

TYPE TEST :-

a) Dry Power Frequency Withstand Voltage Test : The spacer shall withstand dry power frequency test voltage of 23kV when tested in accordance with IS:1445-1977 with suitable modifications to simulate the actual method of application in field.

b) Wet Power Frequency Withstand Voltage Test :- The spacers shall withstand a wetpower frequency test voltage of 10kV when tested in accordance with IS:1445-1977with suitable modifications to simulate the actual method of application in field.

c) Ageing/Tensile Test : Three specimens of LT spacers shall be maintained at a temperature of 70 (+)(-) 2 °C for a period of 24 hours. After this treatment, the specimens shall not show any deformity and after cooling,

these shall have minimum tensile strength of 375Kg/CM² (i.e. 500Kg. for 13mm dia).

d) Dimensional Verification : The dimensions given in enclosed Figure shall have following tolerances :-

- i) Clearance length 300mm +/- 3mm
- ii) Spacer rod dia 13mm + 1mm – 0.5mm
- iii) Spiral holedia 10 – 11 mm
- iv) Length of each spiral and 280 mm +/- 5 mm.
over all spiral length

5.1. ACCEPTANCE TEST :

- a. Visual Examination : The spacers shall have fine uniform finish and shall be of .
- b. Dimensional Verification : As per clause 5.1 (d) above.
- c. Ageing/Tensile Test : As per clause 5.1 (c) above.

6) INSPECTION :

All tests and inspection shall be made at the place of manufacture unless otherwise especially agreed upon by the manufacture and the purchaser. The manufacturer shall afford the inspector (representing the purchaser) all reasonable facilities, without charge, to satisfy him that the material is being supplied in accordance with specification.

7) CONDITIONS OF ACCEPTANCE :

The quality of the spacers covered in this specification will also be checked at the usingend and if the quality is found sub standard, not only the work will be stopped, but your firm will also be black listed.

8) :-

The sample for each type of spacer is to be submitted before submission of bid otherwise it will be treated as non responsive& there commercial bid will not be opened.

All the specifications & the Drawing of material being utilized are available at MSEDCL web site i.e. www.mahadiscom.in The drawings and specifications are not attached due to its bulky size. The bidders may download the same from above mentioned website address.

2.0 Clarification of Bidding Documents

- 2.1 A prospective bidder requiring any clarification of the bidding documents may notify the Employer in writing or by cable (hereinafter, "cable" includes telex and Tele-Fax) at the Employer's address indicated in the Invitation for Bid.
- 2.2 The Employer will respond to any such request for clarification, which he receives up-to 5 days prior to the deadline for submission of this. Copies of the Employer's response will be forwarded to all purchasers of the bidding documents including a description of the enquiry but without indicating its source.
- 2.3 Request for clarification or any delay in complying with such request by the Employer, shall not in any way affect the obligation on the part of the bidder to send the complete bid by the deadline indicated.
- 2.4 Immediately upon purchase of the bidding document, the prospective bidder shall inform the Employer the details as given below to facilitate the process of clarification.

- 2.5 a) Name of Bidder and contact person
- b) Detailed address; and Telephone No.

3.0 Amendment of Bidding Documents

- 3.1 Before the deadline for submission of bids, the Employer may modify the bidding documents by issuing addenda.
- 3.2 Any addendum thus issued shall form part of the bidding documents and shall be communicated in writing or by cable to all purchasers of the bidding documents. Prospective bidders shall acknowledge receipt of each addendum by cable to the Employer.
- 3.3 To give prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer may extend the deadline for submission of bids by a maximum period of 15 days.

The price for the project shall be quoted by the Bidder entirely in Indian Rupees.

6.0 Bid Validity

- 6.1 Bids shall remain valid for a period of **60** days after the deadline for bid submission.
- 6.2 In exceptional circumstances, the Employer may request the bidders to extend the period of validity for a specified additional period. The request and the bidders' responses shall be made in writing or by cable. A bidder may refuse the request without forfeiting his EMD. A bidder agreeing to the request will not be required or permitted to modify his bid, but will be required to extend the validity of his EMD for the period of the extension, and in compliance with Clause 15 in all respects.

7.0 EMD (Bid Security):

- 7.1 The bidder shall furnish, as a part of his bid, an EMD for the 1 % of estimated value, in the prescribed format. The validity of the EMD should be up to and including the date 30 days after the deadline for bid validity.
- 7.2 The shall be in the form of **(A)** Online **(B)** a bank guarantee from a Nationalized / Scheduled bank having branch in the Maharashtra State. The format of the bank guarantee shall be in accordance with the sample form of EMD enclosed in Section 3. **Bank guarantee issued, as security for the bid shall be valid till 120 days from date of opening of tender.**
- 7.3 Any bid not accompanied by an original Bid Form and adequate EMD with correct bid reference in original shall be rejected by the Employer. The bid shall also be rejected if the bidder does not comply with the provisions of clause 7.2 above.
- 7.4 The EMD of unsuccessful bidders will be returned after 30 days of the bid validity period specified in Clause 6.
- 7.5 The EMD of the successful bidder will be discharged when the bidder has signed the Agreement and furnished the required performance security.

8.0 The EMD will be forfeited in case of any of the following: -

- a) If the bidder withdraws his bid during the period of bid validity,
- b) If the bidder does not accept the correction of his bid price pursuant to **Clause 18**
- c) If the successful bidder fails within the specified time limit to
 - i) Sign the Contract Agreement
 - ii) Furnish the required performance security

9.0 Alternative Proposals by Bidders

Bidders shall submit offers, which comply with the requirements of the bidding documents, including the basic technical design as indicated in the drawings and specifications. **Alternative proposals shall not be considered.**

10.0 Format & Signing of Bid

- 10.1 The original and bid securities all copies of the bid shall be typed or written in indelible ink and shall be signed by a person or persons duly Authorized to sign on behalf of the bidder pursuant to Sub-Clause 3.4 (a) & 3.3 (b), as the case may be. **The person or persons signing the bid shall initial all pages of the bid where entries and amendments have been made.**
- 10.2 The bid shall contain no alterations or additions, except those to comply with instructions issued by the Employer, or as necessary to correct errors made by the bidder, in which case the person or persons signing the bid shall initial such corrections.

11.0 SUBMISSION OF BIDS**Sealing and Marking of Bids.**

- 11.1 **The bid shall be submitted online on or before 17.09.2024.**
- 11.2 Bid shall be submitted online in two procedures as stated below: -
- a. **EMD (Sample Form C), Bid form (Sample Form A), copy of the receipt of the purchase of the bid, Authorization in favor of the signatory, including other relevant authorization signature as required under the bid document. Sample form 'B' & qualification requirement Mentioned in Bidding documents and Self declaration in form "G".**
Other documents of this tender apart from above need not be submitted.
 - b. **Commercial offer including price activity schedule and other relevant information in accordance with the requirement of the bid document.**

12.0 Late Bids

Any bid received by the Employer after the deadline prescribed in Clause 19 shall not be accepted.

13.0 Modification and Withdrawal of Bids

- 13.1 The bidder may modify or withdraw his bid by giving notice in writing before the last date of submission of Bid.
- 13.2 The bidder's modification or withdrawal notice shall be prepared, sealed, marked and delivered in accordance with Clause 13, with the envelopes additionally marked '**MODIFICATION**' or '**WITHDRAWAL**', as appropriate.
- 13.3 No bid shall be permitted to be modified after the deadline for submission of bids
- 13.4 Withdrawal of a bid between the deadline for submission of bids and the expiration of the original period of bid validity specified in the Form of Bid will result in the forfeiture of the EMD pursuant to Clause 8.

14.0 BID OPENING AND EVALUATION**Bid Opening**

- 14.1 **The Employer will verify the pre-requisite documents of the bids required for qualifying**, including its modifications made pursuant to Clause 13, at 23.55 hours on date 17.09.2024 or Schedule date if changed by notification. The bidder's representatives who are present shall sign a register evidencing their attendance.
- 14.2 The bidders' name, bid modifications and withdrawals, the presence or absence of EMD, and other details as the Employer may consider appropriate, will be announced by the Employer at the time of opening of Envelope-I.

- 14.3 The Employer will examine the pre-requisite documents of the bid in accordance with the requirements with the bid document. **If any of the documents is found to be not complying with the requirement of the bid document, the bid will be considered as non-responsive & the corresponding commercial bid will not be considered.**
- 14.4 The responsive bidders shall be notified by the Employer to attend the verification of the commercial offer including price activity schedule and relevant information in accordance with the requirement of the bid documents.
- 14.5 The procedures stated in clause No.13.1 to 13.4 shall be followed for opening of the Envelope-II of the bids, including modifications made pursuant to Clause 13.

15.0 Process to be Confidential

Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions shall result in the rejection of his bid.

16.0 Clarification of Bids.

To assist in the examination, evaluation and comparison of bids the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdown of the prices in the Activity Schedules. The request for clarification and the response shall be in writing or by cable, but no change in price or substance of the bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids in accordance with Clause 26.

17.0 Examination of Bids and Determination of Substantial Responsiveness.

- 17.1 Prior to the detailed evaluation of bids, the Employer will determine whether each bid (a) Meets the eligibility criteria (b) has been properly signed; (c) is accompanied by the required securities; (d) is substantially responsive to the requirements of the bidding documents; and (e) provides any clarification and/or substantiation that the Employer may require.
- 17.2 A substantially responsive bid is one, which conforms to all the terms, conditions, and specifications of the bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality of performance of the Works; (b) which limits in any substantial way, inconsistent with the bidding documents, the Employer's rights or the bidder's obligations under the Contract' or (c) whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids.
- 17.3 If a bid is not substantially responsive, it will be rejected by the Employer and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

18.0 Correction of Errors

- 18.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. The Employer will correct errors as follows: where there is a discrepancy between the amounts in figures and in words, **the amount whichever is lower will govern.**
- 18.2 The amount stated in the Form of Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, his bid shall be rejected and the EMD will be forfeited in accordance with Sub-clause 15.6 (b).

19.0 Prohibition for Post tender Correspondence.

- 19.1 The Bidder should note that no correspondence shall be entertained or considered after the due date and time of submission of tender unless otherwise sought by the Employer.
- 19.2 The bids shall be deemed to be under consideration immediately after those are opened and until such time official intimation of award / rejection is made by the Employer to the bidders. While the bids are under consideration, bidders and/or their representatives or other interested parties are advised to refrain from contacting by any means, the Employer and / or his employees / representatives on matters related to the bid under consideration. The Employer if necessary shall obtain clarifications on the bid by requesting for such information from any or all bidders in writing as may be necessary.

20.0 AWARD OF CONTRACT.
Award Criteria

Subject to Clause 21, the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding documents and who has offered the Lowest Evaluated Bid Price, provided that such bidder has been determined a) to be eligible in accordance with provisions of Clause 2, and (b) qualified in accordance with provisions of Clause 3.

21.0 Employer's right to accept or reject, any or All Bid(s).

- 21.1 Notwithstanding Clause 20, the Employer reserves the right to accept or reject any or all bid(s), and to cancel the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders on the grounds for the Employer's action.
- 21.2 The Employer does not bind himself to accept the lowest or any bid, neither will any reason be assigned for the rejection or part of bid. It is also not binding on the Employer to disclose any analysis report on bids.

22.0 Notification of Award

- 22.1 Prior to the expiration of bid validity prescribed by the Employer, the Employer will notify the successful bidder by cable confirmed by registered letter that his bid has been accepted. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") shall name the sum which the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price"). Such letter of Acceptance will be deemed to have

been accepted if not otherwise specifically acknowledged by the Contractor within 7 days from date of receipt.

- 22.2 The notification of the award will constitute the formation of the Contract subject only to the furnishing of a performance security in accordance with the provisions of Clause 23 and signing of agreement.
- 22.3 The successful Bidder shall execute contract agreement as per the proforma attached
- 22.4 Upon furnishing by the successful bidder of a performance security, the Employer will promptly notify the other bidders that their bids have been unsuccessful.

23.0 Performance Security

- 23.1 Within 15 calendar days of receipt of the Letter of Award from the Employer, the successful bidder shall furnish to the Employer a **performance security as per Form F in the form of a bank guarantee for an amount equivalent to five percent (5 %) of the Contract Price. Validity up to completion of 24 months from final work completion Date.**
- 23.2 The performance security is to be provided by the successful bidder in the form a bank guarantee **issued by a Nationalized / Scheduled bank having branch in Maharashtra.**
- 23.3 Failure of the successful bidder to comply with the requirements of Sub-Clause 3.1 & 3.2 shall constitute sufficient grounds for cancellation of the award and forfeiture of the EMD.

24.0 Jurisdiction

- 24.1 Any disputes or differences arising under, out of or in connection with this tender or contract if not concluded shall be subject to exclusive jurisdiction of courts in **Kolhapur** of Maharashtra.
- 24.2 The Indian Law shall govern the contract.

25.0 Agreement

In the event of acceptance of particular bid for award of Contract such successful bidder has to execute contract Agreement as per attached form E.

26.0 Time: The Essence of Contract

The time stipulated in the contract for the completion of works shall be deemed to be the essence of the contract. The Contractor shall so organize his resources and perform his work as to complete it not later than the date agreed to.

27.0 Other Important General Terms.

- 27.1 Effective and jurisdiction of contract: -
 - 27.1. (A) The contract shall be considered as having come in to force from the date of issue of Letter of Award by the Employer.
 - 27.1. (B) Patent Rights and Royalties:
Royalties and fees for patents covering materials, articles, apparatus, devices, equipments, software and processes used in the works shall be deemed to have been included in the contract price. The Contractor shall satisfy all demands that may be made at any time for such Royalties or fees and he alone shall be liable for any damages or claims for patent infringements and shall keep the Employer indemnified in that regard.
- 27.2 The Contractor shall be responsible for the observance by his sub-Contractors for forgoing.

27.3 **Workmanship and Materials:**

- 27.3. (A) The Plant and/or the work shall be manufactured, constructed, provided, put in possession. Carried out and maintained in all respects with workmanship and material of the best and most substantial and approved qualities to the entire satisfaction of Engineer, who may reject any plant, apparatus, material or workmanship which shall in his opinion be defective in quality and such rejection shall be final and binding on the Contractor. The Contractor shall at his own expense provide all materials, labour, haulage, tools, tackles, apparatus and all things necessary to execute and complete the work and the plant in the manner aforesaid.
- 27.3 (B) All materials used shall be of high grade, free from defects and imperfection, recent manufacture and unused. The materials shall conform to the relevant standard specifications accepted and approved.

28.0 Security:

The Contractor shall have total responsibility for all equipments and material in his custody stored, loose, semi assembled and /or erected by him at sit. The Contractor shall make suitable security arrangements to ensure the protection of all materials, equipment and works from theft, fire, pilferage and any other damages and loss. All materials of the Contractor shall enter and leave work site only with the written permission of Engineer in prescribed manner. It shall be responsibility of Contractor to arrange for the security till the works are finally taken over by the Engineer.

29.0 Guarantee:

- 29.1 The Contractor Shall guarantee that the equipments/materials will be new and in accordance with the contract documents and will be free from defects in material and workmanship for a period of **2 years from the date of final acceptance of the works by the employer.** Any defects developed due to defective materials and / or workmanship during and commissioning of the equipments or during the guarantee period of 2 years from the date of final acceptance of works by the employer shall be rectified or made good by the Contractor at his own cost. The contractor's liability shall be limited to repair/replacement of any defective part in the equipment of his own manufacture or those of his sub Contractor and arising from faulty design, materials and / or workmanship. All costs for the repair and / or replacement of defective parts such as dismantling, re-erection, supply, transportation, etc shall be to the account of contractor.
- 29.3 No repairs or replacement shall normally be carried out by the Engineer when the plant is under supervision of Contractor's supervisor. In the event of an emergency, where, in the judgment of Engineer, delay would cause serious loss or damage, repairs or adjustment may be made by the Engineer or a third party chosen by the Engineer without advance notice to the contractor and the cost of such work shall be paid by the contractor. In the event of such action taken by the Engineer, the Contractor will be notified promptly and he shall assist wherever possible in making the necessary corrections. This shall not relieve the Contractor's liability under the terms and conditions of the contract.

- (a) If it becomes necessary for the Contractor to replace or renew any defective portion of the plant under this clause, **the provision of this clause shall apply to the portion of the plant so replaced or renewed until the expiry of 2 years from the date of such replacement or renewal.**
- (b) The acceptance of the works by the Engineer shall in no way relieve the Contractor of his obligation under this clause.
- (c) If at any time during the guarantee period, it shall appear to the Engineer that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of inferior quality or that any materials or articles provided by him for the execution of the work unsound or of a quality inferior to that contracted for or are otherwise not in accordance with the contract, it shall be lawful for the Engineer, notwithstanding the fact that the work or materials or articles complained of may have been inadvertently passed, certified and paid for the Contractor shall be found forthwith to rectify, to remove and reconstruct the work so specified in whole or in part, as the case may require, if so required to remove the materials or articles so specified and provided other proper and suitable materials or articles at his own charge and cost.
- (d) In the event of Contractor failing to remove the defect within time specified by the Engineer, the Employer may proceed to undertake the removal of such defect at the Contractor's Cost and Risk, without prejudice to any other rights and recover the same from performance bank guarantee / other dues.
- (e) The Contractor shall promptly provide adequate staff at sites during guarantee period to attend to defects, if any.

29 Bankruptcy:

If the Contractor shall become bankrupt or insolvent, or have a receiving order made against him, or compound with his creditors, or being a company or corporation commence to be wound up, not being a member's voluntary winding up for the purpose of amalgamation or reconstruction, or carry on its business under a receiver for the benefit of its creditors or any of them, the Employer shall be at liberty (a) to terminate the contract forthwith by notice in writing to the Contractor or to the receiver or liquidator or to any person in whom the contract may become vested or (b) to give such receiver, liquidator or other person the option of carrying out the contract subject to his providing a guarantee for the due and faithful performance of the contract up to amount agreed.

30 Notices:

Any notice to be given to the Contractor under the terms of the contract shall be served by sending the same by registered post or leaving the same at the Contractor's principal place of business (or in the event of Contractor being a company to or at its registered office.)

Any notice to be given to the Employer under the terms of the Contract shall be served by sending the same by registered post at the Employer's address.

31 Details: Confidential.

The Contractor shall treat the contract and everything contained therein as private and confidential. In particular, the Contractor shall not publish any information, drawings or photograph concerning the works and shall not use the sites for the purpose of advertising except with written consent of the Executive

Engineer, MSEDCL, Kolhapur Urban Division and subject to terms and conditions as he may prescribe.

32 Check List:

The bidder shall give a checklist of documents/schedules enclosed with his Bid in the covering pages(s) for respective parts for quick check of the enclosures. A complete checklist shall be enclosed with each copy of the bid documents. It shall be construed that the Bidder shall comply completely with all the other requirements of the specification.
