with the requirements with the bid document. If any of the documents under technical bid are not found to be complying with the requirement of the bid document, the bid will be considered as non-responsive and Price Bid of the corresponding bid will not be opened for further evaluation. Only the responsive tenderers of the technical bid shall be notified by the Employer to attend the online opening of the Price Bid of the bids.

If any of the minor deviation in submission of the documents under technical bid, the decision of the competent authority (Employer) will be final.

14) Bid Opening:

- The Employer will open the Technical Bid documents on line in the presence of the bidder or bidder's representatives who choose to attend at 11.00 hours on date: 12.12.2024 (if possible).
- The Employer will examine the document under Technical Bid documents of the bid in accordance with the requirements with the bid document. If any of the documents under Technical Bid documents is found to be not complying with the requirement of the bid document, the bid will be considered as non-responsive. Price Bid part of the corresponding bid will not be opened for further evaluation.
- The responsive bidders of the Technical Bid documents shall be notified by the Employer to attend the opening of the Price Bid of the bids. The price bid of the responsive bidder will be opened on the date and time specified.

15) Process to be Confidential:

Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions shall result in the rejection of his bid.

16) Clarification of Bids.

To assist in the examination, evaluation and comparison of bids the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdown of the prices in the Activity Schedules. The request for clarification and the response shall be in writing, but no change in price or substance of the bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids.

17) Correction of Errors:

Bids determined to be complied with all qualifying conditions will be checked by the Employer for any arithmetic errors. The Employer will correct errors as follows: where there is a discrepancy between the amounts in figures and in words, **the amount whichever is lower will be govern.**

18) Prohibition for Post tender Correspondence:
