INSTRUCTIONS TO THE TENDERER

Online e-tenders are invited from reputed licensed suppliers & contractors experienced in the work of Renovation of Electrical Wiring, providing lighting fixtures at various offices & Annual electrical maintenance contract.

Tenderer must return the e-tender form together with the specifications and the rates duly filled in and other schedule duly signed. Any tender not bearing the signature of tenderer on all the documents accompanying the tender is liable to be rejected. The tenderer shall also fill up the **PARTICULARS OF TENDERER** and submit the connected documents with tender in Technical bid.

1. **Name of Work:** Renovation of Electrical Wiring, providing lighting fixtures & Annual Electrical maintenance at Admin Building Rastapeth and various offices under Rasta peth Division Pune.
2. **Period of contract:** Up to the completion of order value or 1 year whichever is earlier.
3. **Area of operation:** Admin Building Rasta Peth and various offices and substations under Rasta Peth Division Pune.
4. **Estimated Cost of Tender:** Rs. 5 Lakhs (Excluding Taxes).
5. **Tender Fee:** The bidder has to pay tender form fee of Rs.1180/- (non-refundable) online or in the form of DD/Cash. The DD/Cash, the payment towards tender fee is to be made in favour of Maharashtra State Electricity Distribution Co. Ltd. and the same is to be submitted to the office of Executive Engineer, Rastapeth Division on or before the due date and time of opening of technical bid. The scanned copy of the D.D/Cash Receipt is to be uploaded with the qualifying documents of the bid and the details of D.D/Cash Receipt towards tender fees are to be filled by the bidder during online submission of the bid.
6. **Earnest Money Deposit (EMD):** An EMD of 1% of the Tender value, i.e. Rs.5000/- shall be paid online or by Cash/ Demand Draft in favour of Executive Engineer, MSEDCL drawn on any Nationalized / Scheduled Bank situated in Pune. The scanned copy of this Demand Draft and receipt (if EMD paid in cash/DD) should be uploaded during online submission of the bid. D.D. towards EMD is to be submitted at MSEDCL, Rastapeth Division Office, on or before due date of submission.. Tenders submitted without EMD are liable to be rejected. Interest shall not be paid on Earnest Money Deposit (E.M.D.) and shall be forfeited in case-
 - i) The tenderer withdraws the tender/offer during the validity period or-
 - ii) if the bidder does not accept the correction of its bid price, i'e 'in case of discrepancy and or difference in the value between the quoted price in number and as expiessed in words as" a percentage above or below the estimate cost, the value as expressed in words shall prevail over the value as expressed in number for the determination of the Total price of the Bidder.
 - iii) if the bidder is determined, at any time prior to award of contract, to have

- engaged in corrupt or fraudulent practices in competing for the contract: or
- iv) in the case of a successful bidder, if it fails within the specified time limit to:
- (i) sign the Contract Agreement, or
 - (ii) furnish the required security deposit.
- v) in case of Joint Venture if there is any breach in the Joint Venture before finalization of tender & issue of LOA within original or extended period of validity of the bid. In this case the bid security submitted by both the partners shall be forfeited.
7. The tenders duly filled and duly signed by registered contractor shall be uploaded on the MSEDCL e tender website. Tenders will be opened online only at specified date and time. All the required documents for Technical & Commercial Bid should be signed/digitally signed before uploading "online". There should be no over-writing. It should be avoided and in case corrections are necessary, the earlier matter should be scored and initialed with new details. Tenders not signed as above shall be liable to be rejected.
8. Security Deposit: The successful Tenderer shall be required to pay security deposit within 14(fourteen) days of receipt of the Letter of Award amounting to 10% of the value of the contract either by DD/ unconditional and irrevocable Bank Guarantee issued by a Nationalized or Scheduled Bank in favour of the Executive Engineer, MSEDCL, Parvati Division. The bank guarantee shall, if invoked, be- en-cashable when presented in the branch office of such Bank located at local area. The format of the Bank guarantee shall be in accordance with the sample form of bid security'. The amount of security deposit shall be refunded only after the fullest satisfaction of the Employer at the completion of the contract period and after the completion of guarantee period.

9. **Qualifying Requirement of the bidder :**

The bidder shall fulfill following requirements:

- iv) In case the date of opening of tender happens to be holiday the date of opening will be next working day at the same time.
- v) The **Price Bids will** remain unopened and the same will **be opened online** on the date and time as specified if possible. The price bids of only the technically qualified bidders will be opened.

17. Technical Evaluation of Bidders:

It should be noted that, Technical Bid documents submitted as mentioned above will be opened first. MSEDCL will examine the documents under Technical bid in accordance with the requirements with the bid document. If any of the documents under technical bid are not found to be complying with the requirement of the bid document, the bid will be considered as non-responsive and Price Bid of the corresponding bid will not be opened for further evaluation. Only the responsive tenderers of the technical bid shall be notified by the Employer to attend the online opening of the Price Bid of the bids.

If any of the minor deviation in submission of the documents under technical bid, the decision of the competent authority (Employer) will be final.

18. Process to be Confidential

Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions shall result in the rejection of his bid.

19. Clarification of Bids.

To assist in the examination, evaluation and comparison of bids the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdown of the prices in the Activity Schedules. The request for clarification and the response shall be in writing, but no change in price or substance of the bid shall be sought, offered, or permitted expect as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids.

20. Correction of Errors

Bids determined to be complied with all qualifying conditions will be checked by the Employer for any arithmetic errors. The Employer will correct errors as follows:
Where there is a discrepancy between the amounts in figures and in words, **the amount whichever is lower will be governed.**

22. Prohibition for Post tender Correspondence.

The Bidder should note that no correspondence shall be entertained or considered after the due date and time of submission of tender unless otherwise sought by the Employer.

23. Prohibition for additions/alterations in SBD:

The tenderer shall not make any additions, alterations or changes in the Tender Form and the Terms & Conditions of Tender & Supply including the description of material mentioned in Price Bid. They should quote rate for the material described or click the checkbox 'Not quoted' against each of the item in Annexure 'B' / Price Bid.

24. Employer's right to accept or reject, any or All Bid(s).

The Employer does not bind himself to accept the lowest or any bid, neither will any reason be assigned for the rejection or part of bid. It is also not binding on the Employer to disclose any analysis report on bids.

25. Award of Contract

The Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding documents and who has offered the Lowest Evaluated Bid Price, provided that such bidder has been determined.

26. AGREEMENT

- 10) The contractor shall not entrust the work on sub contract, transfer or assign the contract or any part thereof to any other party. In case if it is not followed it will be treated as breach of contract and will be terminated at contractors risk and cost.
- 11) The material shall be arranged by the contractor and it should be as per IS Standard and should be approved by Company's authorized representative, before its use.
- 12) The contractor should have his own workmen, tools and tackles required to carry out the job. The workers employed for the job should be well conversant with the work. In case of any accident to the workers or outsiders the total responsibility lies with the contractors. The contractor shall obtain the insurance policy regarding 'contractors all risk policy' or 'transit cum erection' or 'erection risk insurance from the insurance company approved by Director of Insurance, Govt. of Maharashtra. Director of Insurance has approved M/S National Insurance Co. Ltd. for the above purpose.
- 13) In case of any damage or loss to the Company's materials, receipts and appropriate cost of the same will be recovered from the contractor bill or security deposit.
- 14) Bill for the purpose of accepting bills the work carried out during the last month will be considered. The bill should be submitted in triplicate to the concerned engineer in charge for recording the SES and for onward submission to Executive Engineer. The part payment will be made by this Office within 60 days subject to availability of funds from the receipt of measurements recorded bill from the concerned duly accepted by the contractor.
- 15) In case work is not fully carried out by the contractor the Company will get the work done from some other parties and expenditure incurred for which should be recovered from the contractor bill / security deposit who fail to execute the work order.
- 16) The contract or any part thereof shall not be subject to change without the permission of accepting authority.

-
- 17) The contractor shall be responsible for and shall pay all the Compensation Act 1923 (hereinafter called the said Act for injuries caused to the workman).
 - 18) The contractor shall comply with all the laws and statutory regulations dealing with employment of labour such as payment of wages Act 1936, the minimum wages act 1938, The Workmens Compensation Act, 1923, The Industrial Dispute Act, 1947, the Maturity Benefit Act, 1938, The Provident Fund Registration Act etc. in the employment of his labour He shall obtain licenses, wherever required and maintain all the required and prescribed records in the connection. Besides the above this work contract will be governed by General Terms and Conditions of M.S.E.D. Co.Ltd. He has to comply all R.T.O. B & C, P.M.C. & P.C.B. & M. E. S. Rules & especially for road cutting walls.
 - 19) It will be the responsibility of contractor to maintain register required under labour act and shall be produced on demand to this office or Govt. authorities for verification. A register should be kept by the contractor & maintained by his representative indicating the names and other details of his personals engaged for the execution of contract. This register will also be utilized by his representative for obtaining instructions in regarding for the work mentioned in schedule A & B in occasion of emergencies and attending the same.
 - 20) All the material provided for this work should be procured by the tenderer and must be of standard make. All this material will be inspected by Executive Engineer, Parvati Division, or their representative before dispatch. The tenderer should extend all the facilities for carrying out testing of material procured from the agency. The agency should arrange for the transport, loading, unloading, of the material at site, at their cost. The tenderer must have material in spare at his store
 - 21) It will be responsibility of contractor to submit his returns in respect of PF/PPF returns under the PPF act & ESI to appropriate authority within time limit. The Xerox copy of return be submitted to Account section from time to time.
 - 22) This office will not be responsible for any accident arising out of or in the course of employment in respect of the labour. The contractor will be responsible for claims.
 - 23) If any type of misconduct for adverse report against the performance of your employed person is reported to this office, the undersigned reserves the right for the termination of the contract at any stage by giving 24 hrs notice. Decision taken by the undersigned shall be final and binding on the contractor.
 - 24) The contractor shall obtain the insurance policy as per circular No.IR\Insurance\9623\Dt.13.4.2012 from the insurance company, Govt. of Maharashtra. Otherwise penalty at the rate of 1% amount of contract value will be imposed.
 - 25) Residential arrangements of the workmen and personnel shall be made by the contractor himself. Local disturbance if any, on account of the Local people shall be dealt with the Contractor.
 - 26) Contractor shall make his own arrangement for water supply as and when required during course of work.
 - 27) Stacking of Material: The material shall be stacked only at the approved place and without obstruction to other work and no extra payment for any additional leads etc. will be admissible for transport of such material to actual place of use.
 - 28) Rejected Materials: It shall be absolutely essential on the part of the contractor to have on the site of work, only those materials which have been approved by the Engineer in charge. Such of the materials which have been rejected shall in no account be allowed to remain on site and if the same are not removed even in spite of a written order to remove the rejected materials out of site within a specified period as directed by the Engineer in charge, the latter shall have the full rights to remove the rejected materials and even to destroy them at the cost of the contractor.
 - 29) **SAFETY PROVISIONS :-**
 - a) Adequate precautions shall be taken to prevent danger from electrical HT/LT line. No material on any of the sites shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The contractor shall provide necessary safety equipment to protect his staff from
-

accidents and shall be bound to bear expenses of defense of every suit, action, other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damages and costs which may be awarded in any such suit, action or proceedings to any such person or which may with the consent of the contractor be paid to compromise any claim by any such person.

b) All necessary personal safety equipment as considered adequate by the Engineer shall be available for use of persons employed on the site and maintained in a condition suitable for immediate use, and the contractor shall take adequate measures to ensure proper use of equipment by those concerned.

c) To ensure effective reinforcement of the rules and regulations relating to safety precautions, arrangements made by the Contractor shall be open to inspection by the Engineer or his representative and the Inspecting Officers. Persons responsible for ensuing compliance with the safety provisions shall be named therein by the contractor.

d) When work is done near any place where there is risk of drowning, all necessary equipment shall be provided and kept ready for use and all necessary steps taken for prompt rescue of any person in danger and adequate provision made for prompt first aid, treatment of all injuries likely to be sustained during the course of the work.

e) Should any accidents, fatal or otherwise occur, a detailed report about the same shall be made promptly by the contractor to the Engineer-in-Charge. The contractor should at all time keep the M.S.E.D.C.Ltd. fully indemnified against all risks, claims, litigations and financial burdens arising out of all incidental operations on work and accidents. The Contractor shall be solely responsible for the safety of the labours and their employees including payment of compensation in case of accidents or any mishaps etc during the course of work.

- 30) Any loss or damage to the Company's property during transportation, handling, storing, erection etc. or on any other account will have to be borne by the contractor.
- 31) The contractor should arrange all the tools and plants required during work at his own cost.
- 32) The work should be of the best workmanship to the required standard and specifications, as per Indian Electricity Rule 1956 and will have to be carried out as per instructions of Engineer in charge.
- 33) 100% payment would be made to the contractor once in a month by running account bill (depending on availability of funds & maintained chronology) for portion of completed work. The monthly bill along with the certificate from Concern S/stn Engg.in charge is to be submitted to Division office.
- 34) Stamped agreement for the work contract will have to be executed by you at your own cost if order is placed with you.
- 35) You will have to pay security deposit @ 10 % of amount of order before commencement of work if order is placed with you.
- 36) The matter regarding decision, for clearance, Electrical Shut down etc. will have to be referred to Engineer in charge minimum 15 (fifteen) days in advance.
- 37) The company reserves the right to add/delete any terms found necessary for the works against this tender.
- 38) All the disputes and difference arising out of or in the connection with the contract shall be subject exclusively to the jurisdiction of Pune Court.

-
- 39) In addition to condition mentioned here in the Terms & Conditions mentioned in the booklet of "Tender and Contract" for work shall apply.
 - 40) Income Tax at source would be deducted from bills as per rules.
 - 41) If the work is leftover, incomplete by the contractor balance work would be got done at the cost of the contractor and additional financial implications will be met from security deposit, balance bills etc. of the contractor.
 - 42) Only licensed/registered contractor will be eligible to apply for tender and they should enclosed Xerox copies (Photocopy) of their license, experience certificate of work and income tax clearance certificate.
 - 43) The labours employed should not touch any live parts of system as it may result in fatal / non fatal accident.
 - 44) The labour should be informed regarding safety measures by concerned contractor.
 - 45) The contractor will be responsible for compliance of the statutory obligation under the factory act, contract labour act, minimum wages act, contract CPF act & insurance etc. in r/o his employee & workers.
 - 46) You shall have to prepare report of work carried out at each substation duly signed by you & representative of the MSEDCL & duly countersigned by the concerned Addl. Executive Engineer.
 - 47) The licensed/registered Contractor who has minimum experience of 2 years in the similar type of work and satisfactory completed the work of at least 20 % of bid value during one year are only eligible to apply for the tender.
 - 48) The company reserves the right to deduct any amount due from contractor against this or any other order from the bills tendered under this or any other order, of any office of M.S.E.D.C.L.
 - 49) The Employer reserves the right to cancel this contract in part or full without assigning any reason or defining any clause of this contract, the decision of the Employer will be final.

I have read the above conditions and the same are agreeable to me.
