Amravati.**

e-tender no. : - EE/AMT/R/T/2023-24/T-47

Particulars of Works :- Annual Transport contract for MSEDCL's material PSC poles 8 Mtr. / 9 Mtr. Long, RSJ Pole of various sizes, Transformers , line material , Conductor Drum , Cable Drum etc. from various Store Centers / Pole Factories to work site under Rural Division, Amravati.

Terms & Conditions:-

- 1) Rates to be quoted including loading, unloading of material and stacking thereof at site. You will use your T & P for this purpose. If the Company's tools and gantries are used, proportionate charges will be recovered from your bill as per rules. Unloading will have to be made by Mechanical devices. If the stacking is not done after unloading it will be done through outside agency and the charges, paid thereof, will be recovered from your bill.
- 2) **Security Deposit:-** You will have to pay security deposit of 10 % of contract value to this office within 7 days either in cash / DD, in case or in the form of bank guarantee.
- 3) You will have to sign prescribed agreement within eight days positively from the date of issue of order.
- 4) Indents for transportation work will be issued to you by our Dy. Executive Engineer (Maint), from time to time. The distance covered during transportation will be measured as per S.T. route map and decision of the undersigned will be final in this matter.
- 5) The work will have to be completed within a week from the date of issue of indent positively; otherwise penalty at 1/2 % per day will be levied subject maximum 10 % as per rule.
- 6) You will be responsible for the loss or damage to the material during transit, loading, unloading and stacking at site. The amount of loss or damage of material will be recovered from your bill before payment as per Stores issue rates plus 10% supervision charges. Any dispute in such case will be decided by the undersigned.
- 7) Compensation to any labour engaged by you due to accident occurring during the course of transportation loading / unloading or stacking will be binding on you only.
- 8) While giving indent every effort will be made to give you minimum 7 MT load for each trip.
- 9) This contract will be subject to the general condition of works contract already made available to you.
- 10) You will have to comply with provision of Maharashtra Mathadi Hamal and other manual works, regulation of employment and Welfare Act 1969 and the Bombay Iron and Steel unprotected regulation or employment and welfare Scheme 1970.
- 11) **Deduction:-** Any amount which become payable by the contractor to the MSEDCL under particular contract may be deducted by the Board from any amount / amounts due or becoming due to the Contractor under the same or any other contract.
- 12) **Save & Excess :-** Amount/ amounts due on account of damage or compensation for defaulting or breach of contract by the contractor in which case instead of deduction of the said amount/ amounts shall be retained and the MSEDCL shall have the right on the amount/amounts so retained or withheld.

- 13) Bill in triplicate along with gate pass of material transported duly acknowledged by the site-in-charge should be submitted to the concerned S.D.O. to record the measurements. Payment will be arranged on availability of funds.
- 14) The income tax will be deducted from your bill as per rule.
- 15) If found necessary the contract will be extended after exhausting the contract amount or period at the same rate & the same will bind on your part.
- 16) The payment of Octroi where ever applicable will be arranged by the Store in-charge/ site office. However, you will have to complete the formalities as per prescribed concerned Municipal Corporation / Council.
- 17) **Termination of contract:-**If it is found that the transportation work is not being executed satisfactorily the Company reserves the right to terminate the contract and get the work done through other agency at the risk and the cost of the contractor.
- 18) The contractor should send his truck immediately on the call given by Dy. E.E.(Maint) not later than 24-Hours. If the vehicle is not arranged, the company will arrange to transport the material through any other agency and in that case charges paid to that agency, if any, will be recovered from you. In this respect the contractor must cooperate in the transportation of the material in time without any delay.
- 19) The contractor should arrange truck for transportation of bulky material other than poles etc. and pole carrier truck for this purpose.
- 20) The contractor should authorize any one person to receive the indents from our S.D.O. Indents will not be given to any Driver/Cleaner to avoid missing of the same by them.
- 21) The contractor should allow authorized person of the MSEDCL to travel in his truck to collect material from other Stores/Pole factory in which case availability will be confirmed before sending the truck.
- 22) Before commencement of work you will have to execute work contract agreement on stamp paper in prescribed proforma a cost of which will be borne by the Contractor.
- 23) Weekly report regarding date-wise and location-wise transportation of material and its amount of bill should be submitted to Division Office, Rural Amravati without fail.
- 24) You will have to follow binding of Indian Contract, 1972, Minimum Wages Act, 1948 and Contract Labour Act (R. & A) 1970 for your contract labour.
- 25) The order is valid for one year.
