- iv) The ***Price Bids will*** remain unopened and the same will ***be opened online*** on the date and time as specified if possible. The price bids of only the qualified bidders will be opened.

14) Technical Evaluation of Bidders:

It should be noted that, Technical Bid documents submitted as mentioned above will be opened first. MSEDCL will examine the documents under Technical bid in accordance with the requirements with the bid document. If any of the documents under technical bid are not found to be complying with the requirement of the bid document, the bid will be considered as non- responsive and Price Bid of the corresponding bid will not be opened for further evaluation. Only the responsive tenderer's of the technical bid shall be notified by the Employer to attend the online opening of the Price Bid of the bids.

If any of the minor deviation in submission of the documents under technical bid, the decision of the competent authority (Employer) will be final.

15) Bid Opening:

- a) The Employer will open the Technical Bid documents on line in the presence of the bidder or bidder's representatives who choose to attend at 13.00 hours on date: 28.12.2024 **(if possible).**
- b) The Employer will examine the document under Technical Bid documents of the bid in accordance with the requirements with the bid document. If any of the documents under Technical Bid documents is found to be not complying with the requirement of the bid document, the bid will be considered as non-responsive. Price Bid part of the corresponding bid will not be opened for further evaluation.
- c) The responsive bidders of the Technical Bid documents shall be notified by the Employer to attend the opening of the Price Bid of the bids. The price bid of the responsive bidder will opened on the date and time specified.

16) Process to be Confidential:

Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions shall result in the rejection of his bid.

17) Clarification of Bids.

To assist in the examination, evaluation and comparison of bids the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdown of the prices in the Activity Schedules. The request for clarification and the response shall be in writing, but no change in price or substance of the bid shall be sought, offered, or permitted expect as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids.

18) Correction of Errors:

Bids determined to be complied with all qualifying conditions will be checked by the Employer for any arithmetic errors. The Employer will correct errors as follows:
where there is a discrepancy between the amounts in figures and in words, **the amount whichever is lower will be govern.**

SEAL AND SIGNATURE OF TENDERER

19) Prohibition for Post tender Correspondence:

The Bidder should note that no correspondence shall be entertained or considered after the due date and time of submission of tender unless otherwise sought by the Employer.

20) Employer's right to accept or reject, any or All Bid(s):

The Employer does not bind himself to accept the lowest or any bid, neither will any reason be assigned for the rejection or part of bid. It is also not binding on the Employer to disclose any analysis report on bids.

21) Award of Contract:

The Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding documents and who has offered the Lowest Evaluated Bid Price, provided that such bidder has been determined.
