TENDER NO. SE/PLG/TECH/DTC TRANS/ 23-24/T-39
INSTRUCTION TO TENDERER

Two Bid – E-tenders are invited from reputed licensed electrical contractors experienced in the similar type work .

1. **Area of work:-** From various site to Filter unit & From Filter unit to various site under **Palghar Circle**
2. **Name of the work:** Transportation and Replacement of failed Transformer From various site to Filter unit & Repaired transformer From Filter unit to site under **Palghar Circle**
3. **Period of contract:** Overall period of contract will be 1 year from the date of placing of the order or up to the value of tender amount completed.
4. **Brief scope of work:** As outlined in detail in Annexure 'A' of Price Bid and generally covering the work of Transportation and Replacement of failed Transformer From various site to Filter unit & Repaired transformer From Filter unit to site under **Palghar Circle**
5. An EMD of **1%** of the **Tendered value**, shall be paid by Demand Draft/ Pay order in favour of Maharashtra State Electricity Dist. Co. Ltd. Drawn on any Schedule Bank at **PALGHAR CIRCLE** office only before due date. The details of EMD should be filled up during online submission of the bid. The Demand Draft or Money Receipt should be deposited in Circle office on or before due date of submission of bid at MSEDCL, **PALGHAR CIRCLE** office otherwise their offer will be rejected and the copy of money receipt of EMD uploaded online along with the documents within the due date of submission of bid . **(N.B.- The Tender Cost & EMD Should be paid well in advance to avoid last minute Rush)** Tenders submitted without EMD are liable to be rejected. Interest shall not be paid on EMD Earnest Money Deposit shall be forfeited in case: - a) The tendered withdraws the tender/offer during the validity period or b) the tenderer fails to pay the Security Deposit if the contract is awarded.
6. The tenders duly filled in shall be submitted online on website. Tender Technical & Commercial Bid will be opened, if possible on the due date at 16.00 and 11.00 hrs resp.
7. Overall period of contract will be maximum 1 year from the date of placing of the order or up to the value of tender amount completed.
8. The successful tenderer shall be required to pay the prescribed security deposit **5 %** of tender value within **14 days** after the acceptance of his tender either by DD/Cash . The security deposit will be refunded only after satisfactory completion of work.
9. Tendered shall submit his offer in the form of schedule duly filled in figures of quantities and rates, and other schedules duly signed. Any tender not bearing signature of the Tenderer on all the documents accompanying the tender is liable to be rejected.
10. Tenders which do not fulfill all or any above conditions or incomplete in any respect are liable to be not considered.
11. Before submitting his tender the tenderer shall examine closely the specifications and carefully study all documents.
12. The Tenderer is requested to visit the site of work and for himself the Site conditions regarding approaches, material, transportation labour etc. and all the other matter affecting the work before filling in the tender. The tenderer is further requested to study the specification of the tender and then submit his offer.
13. The submission of a tender by a tenderer implies that he has read these instructions, the conditions of contract etc, and has made himself aware of the scope and specification of the work to be done, and local conditions and other factors bearing on the execution of the work. The Distribution Co. Ltd. will not, however, after acceptance of the contract rate pay any extra charges for lead or for any other reasons in case the contractor is found later as to have misjudged himself.

14. The firm/contractor must arrange for all transport of material and include all such cost in the rates quoted by them for work.
15. The schedule of quantities as indicated in this tender is liable to alteration, by deletions or additions at the discretion of the Executive Engineer or as set forth in the contract.
16. The tenderer should furnish information regarding the works of above nature carried out by him/them in any other department and submit copies of certificates in proof thereof.
17. The tender documents shall be written legibly and free from erasures. Over writings or conversions of figures, corrections where unavoidable shall be made by crossing, initialing, dating and rewriting.
18. Any part of the contract shall not be sublet without the written permission of the Executive Engineer or his authorized representative.
19. The Undersign has all right to reject all or any of the tenders at any stage without assigning any reason. All right of rejection is reserved to undersigned.
20. The offer shall be kept open for acceptance for a period of 90 days from the date of opening of the tender or any other extended date. During this period no tenderer shall be allowed to withdraw his offer. Any such withdrawal during the said period will entail forfeiture of the Earnest Money Deposit paid with the tender.
21. The contractor is expected to work out his own total cost for the work and offer his rate for each individual item Further information required, if any, can be had from the office of the Executive Engineer, but it must be cleared understood that the tenders must received by the due date and time and according to the instructions.
22. Acknowledgment of submission of Income Tax Returns for last three year to be submitted along with attested copy of PAN Card.
23. It is Tenderers responsibility of any loss or damage to the Property: The Bidder should take all precautions during the course of your work that no damage is caused to nearby healthy equipment's of the Company. Similarly no damage is caused to the public property such as Telephone cables water pipes and sewage pipes etc. private property. The bidder shall be held responsible for cost and compensation for any damage caused to any installation during the course of the work.
24. **Deductions:** Any amount/amounts which becomes payable by the bidder to us under a particular work may be deducted by us from any amount/amounts due by us to you, under the same or any other contract. The penalty if from any agencies like BSNL, Municipal Council, PWD, Local bodies, Gram Panchayat, Zillah Parishad etc. charged for not having followed the proper procedures (such as displaying of boards, fixing of barricading, removal of surplus earth after backfilling etc) while executing the work will be deducted from bidder bill.
25. **Insurance and Payment of Contract Labour :-**
Labour employed by you for execution of this contract should be covered under Workmen's Compensation Act and as required under the relevant provisions of the Contract Labour (Regulation and Abolition) Act. 1970. Insurance policy should be valid during entire period of this contract or extended period of the same if necessary.

The contractor shall be required to pay the labour engaged by him on the work not less than Minimum age (which expression shall mean whether for whole time or piece work the respective rates of wages to labour contractors in connection with the said work as if labour had been immediately employed by him. The contractors shall comply with the provision of payment of wages Act 1936, Minimum Wages Act, of wages Act 1936, Minimum Wages Act, 1948, employees Liability Act 1938, Workmen's Compensation Act 1923, Industrial Disputes Act 1947. Indian other law relating thereto rules made there under from time to time and give effect to the provisions of any law for the time being in force and regulating the rights and privileges of the laborers' employed by him directly or indirectly.

The contractor shall indemnify the MSEDCL against any payments to be made under and for the observance of the regulations, for the time being in force without prejudice to his right to claim indemnify from his subcontractor.

- 26. Guarantee of work:-**The contractor has to transport and replace the Transformers without any damage to Transformers or company property
- 27.** The authorized experience person shall do the Transportation and replacement of Transformers at accessible and safer places.
- 28.** These instructions shall also form a part of the contract.
- 29.** Specific attention is invited to the requirements that all corrections must be initiated and dated by the tenderer, and that all the pages should bear the full signature of the Tenderer at the bottom of each page.
- 30. VALIDITY OF THE TENDER:** The tender offer shall remain open for acceptance by the Company for a period of 90 (Ninety) days from the date of opening of tender. The tenderer shall be bound himself to supply at the same rate on acceptance by the Company during validity period.
- 31.** All rights of allocation of works are reserved with the Superintending Engineer, **Palghar Circle** may allot all the 100 % work to the contractor and no objection in this regard will be entertained. If the bidder quoted lowest rates is not ready to carry out to whole work, then the same work will be allocated to Second lowest party
- 32. Dispute :** If any dispute arise the decision of the undersigned will be final and binding on you. Beside this the extra condition of contract of MSEDCL will be binding on you. Legal disputes if any will be under **Palghar** Court.

SUPERINTENDING ENGINEER
